Send us your used stamps... please!

The Medical Missionaries of Mary urgently need Used stamps — Irish & Foreign

If possible, please leave a half-inch margin around each stamp as that greatly reduces the workload in the philately department.

We are also grateful to get used telephone call cards, and used holiday postcards (but please don’t send old Christmas cards or Birthday cards!)

Also, it is wonderful to get an old stamp album so, if there’s one lying around your house, please parcel it up and send it to us.

The address is:
Sister Philatelist
Medical Missionaries of Mary
Beechgrove
Drogheda
Co. Louth

Thank you!
